Yachts will generally be launched on Fridays and recovered on Mondays when possible. Bank Holidays we launch Thursday and recover Tuesday as appropriate. Please do not leave instructions for the boat to be launched every weekend on the off chance of using it. Berthon will monitor frequency of use upon launching; should any owner abuse this contract by consistently launching without intention to sail the boat, we reserve the right to make a charge of £100 for the launch and lift on the occasions when the boat has not been used.

No sub-contractors allowed to work on the boat on the yard premises.

All cars to be parked in the marina car park. No cars allowed in yard premises.
