Length: 17.3m
Max speed: 25 knots
Range: 250 nmiles
Crew: 6-7

Shannon
Length: 13.6m
Max speed: 25 knots
Range: 250 nmiles
Crew: 6

This certificate celebrates the long and successful partnership between Berthon Boat Company and the Royal National Lifeboat Institution (RNLI). This partnership has played a key part in equipping the RNLI in its mission to save lives around the coasts of the UK, Republic of Ireland, Isle of Man and Channel Islands.

Between 1986 and 2015, the RNLI and Berthon worked together to build 3 Arun class, 21 Severn class and 12 Shannon class lifeboats.

Total lives saved between 1986 and 2015: 584

Charles Hunter-Pease, RNLI Chairman
